

**REMARKS/ARGUMENTS**

By this Amendment claim 12 has been amended to eliminate the limitation regarding the frequency of administering the recited dosage.

Attached hereto is a marked-up version of the changes made to the specification and claims by the current amendment. The attached page is captioned "Version with markings to show changes made."

In view of the above, each of the presently pending claims in this application is believed to be in immediate condition for allowance. Accordingly, the Examiner is respectfully requested to pass this application to issue.
